Average Graduation time (in semesters): 8 semesters

¹ *Suspension of Studies*: Students may suspend studies for valid reasons and retain student status. Each suspension is 1 year, with a maximum of 2 cumulative years (or 3 years for entrepreneurship). The suspension period is counted toward the length of study.

² *Resumption of Studies*: Students suspended from study apply to restore student status and continue studying after the suspension period ends.

³ *Outgoing*: Students are approved for admission into a new major after completing the required major transfer procedure provided by the university.

⁴ *Incoming*: Students apply to change from their current major to nursing, after completing the required major transfer procedure provided by the university.
